OVERHEARD

Madigan Working for 100th Victory of Grid Coaching Career

By ART ROSENBAUM

If all goes well, this year's St. Mary's team will give SLIP MADDIGAN his 100th victory... So far, in his 17 years at Moraga, Madigan has coached the team for 124 games, 92 of which were won, 24 lost and eight tied... Should the Gaels win every game, the 100th win would come against Santa Clara November 14... If they lose one, it would come against Fordham at New York city, November 20... If they lose more than one, Slip would have to wait until next season.

Those galleries at the national amateur at Portland really went for the big golf show... We predicted on the second day that the tourney would pay for itself, and as such be one of the few in the 41-year history of the national to do so... The \$5000 given by Portland boosters to the tourney has all been paid back, and there are no debts... On the final days the gallery fee was \$2.00 per each, and there were at least 2000 who came in on that charge... Six thousand others had season passes... Portland demonstrated it was one of the better golf spectator towns in the country, outshining New York, Chicago and San Francisco easily.

JOYCE HAYMAN, who sits at the consols of the reopened Cliff House, was quite a tennis player so many years ago... She won the junior tennis championship of the interior in British Columbia and was runner-up in the women's open singles championship of Canada... She also has medals for ice and roller skating and swimming.

Argentines Score Rout

Pampas Poloists Crush Aurora

WESTBURY, N. Y., Sept. 12 (AP)—

San Jose's Centaurs from the pam-pam opened their drive for the national polo championship by routing Aurora, 14 to 8, today in the second game of the title tournament, before 15,000 fans at International Field.

Luis Bugan, hard riding No. 1 for Argentina, and Captain C. T. I. "Pat" Roark, veteran British internationalist, were high scorers with five goals each, but it was left to Manuel Andrade, able San Jose back, to break the 4-4 tie in the fifth chukker and send the Argentines into a lead it never lost.

SAN JOSE, Calif., Sept. 12 (AP)—

Luis Duncan, No. 1, H. E. Knox, Heriberto Duncan, No. 2, J. P. Mills, Andres Garotti, No. 3, Capt. R. W. Felt, and Frank Pack, No. 4.

Score by chukkers:

San Jose 1 1 0 2 3 2 2 1—14

Aurora 1 0 0 2 1 1 1 0—8

SONS WHIP STARS, 128-52

The Sons of St. George cricket team gained an easy 128-52 victory over the League All-Stars yesterday afternoon on the Julius Kahn field.

for the 100, and that if the winners of the final trials cannot come up to those standards, the team be sent to the Olympics without representatives in such event.

Burdage, in discussing a disagreement over the dates for the 1940 Olympics in Japan, stated unofficially that the games would be held in late August or early September. It was pointed out that European countries want the games held in October, and that the United States is holding out for a considerably earlier date.

Dettman Meets Duchini in Special

By HARRY B. SMITH

San Francisco fight fans think Sonnyboy Walker is going to clip Eddie Simms in their Friday night fight at Dreamland. That goes, even if the referee did call their previous engagement a draw battle. Walker has the weight advantage. He usually does better the second time he fights an opponent.

So right here in San Francisco they have made him a 10 to 8 choice to win. That price seems about what the doctor ordered. Simms, with his sparring partners, put in an appearance yesterday and started his last round of grind for the 10-round session.

Bobby Evans fixed up his entire card of prelims yesterday. Mario Duchini and Harold Dettman, a pair of middle weights, from Sacramento and Cleveland, respectively, are all set for the six-round semi. Aaron Ward and Gene Spencer are to go six, with Jimmy Brouillard and Soldier Stanley in another six. There will be two four-round sessions, Teddy Marine vs. Cowboy Jack Potter and Al Sacchetti fighting Newsboy Jack Milhup.

TOO LATE NOW FOR MORE GOLD

Joe Niderost wired Larry White yesterday advising the manager he thinks he is quite correct in asking more than \$3500 guarantee for Apostoli in the Thil fight. Now that the New York Commission refuses to recognize the international title, it doesn't mean so much to the Coaster. That was a cruel blow. However, when Harry White talks of calling off the fight, you know he's only spoofing. And so is Uncle Mike Jacobs. They have to carry on. White's mistake was in failing to demand more than \$3500 when the fight was originally made. It's too late now.

Of course, Jacobs thought the Empire State Commission would recognize Thil as the international king rather than give consideration to Freddie Steele. That must have been quite a blow to the Apostoli forces, and I don't blame White for feeling sore. However, you can take it from me the fight is going through.

Comanager Joe Niderost, with Chauncey Tramutolo and their wives, leave Tuesday by automobile for the East. They have business engagements, but also figure on watching the fight September 23.

ROMERO FACES GENE ESPINOSA

Tomboy Romero of Sacramento and Gene Espinosa, Filipino from Los Angeles, will main event at San Jose for Ora Forman on Tuesday night. It's a 10-round show between these 126-pounders. Jonny Marquez of Redwood City and Johnny Mateo, 150, are scheduled for a six-round session. There are three four-round contests, as follows: Al Labao vs. Bull Mateo; Bobby Gray vs. Teddy Yoscon; Johnny Rodriguez vs. Frankie Torres.

The boxing board, recruited to full extent by the naming of two of Governor Merriam's secretaries, can be expected to meet at Los Angeles some time the latter part of the month to swear in the new appointees and take up unfinished business. It will be Dr. Martin's first meeting since his return from Europe. Not expected the Governor's secretaries will hold office long. There are plenty of Californians who crave a taste of the Argentinian.
